## What to Bring to for Your Infant

Welcome to OFLC! Infancy is a fun and exciting time for children and families. At Our Future Learning Center, we honor this important period by providing our infants with age appropriate materials that help them develop socially, emotionally, physically, and academically. However, we do ask families to supply some items for their infants. We also ask that any items brought into Our Future Learning Center are labeled with both the child's first and last name. Personal items will be returned home daily to be cleaned. Sheets and blankets will go home on Friday's or last day of your child's week. A list of requested items can be found below. Thank you!
