What to Bring for Your Preschooler

Welcome to OFLC! Preschool is an exciting time for your child. At Our Future Learning Center, we honor this important period by providing our preschool students with age-appropriate materials that aid their development socially, emotionally, physically, and academically. These materials include books, art materials, math puzzles and mats for children to rest on. However, we do ask families to supply some items for their preschoolers. We do provide lunch during the day, but families are welcome to bring nut-free lunches from home! We ask that any items brought into Our Future Learning center are labeled with both the child's first and last name. Personal items will be returned home daily to be cleaned. Sheets and blankets will go home on Friday's or your child's last scheduled day each week. A list of requested items can be found below. Thank you!
